

Statement on Deferral of Payments

March 26, 2020

Sunrise Credit Union is committed to being there for our members during the COVID-19 pandemic. We will work co-operatively with members to find a solution and have begun the process of calling members to check in to see how they're doing and how we can be of assistance during the pandemic.

If a member is facing financial challenges due to the health crisis, Sunrise Credit Union has policies in place to assist borrowers. We will work with individual member-borrowers, as we always have, to assess the borrower's situation and develop individual plans, on a case-by-case basis, for deferral and repayment.

Several options are available for individual, commercial and agricultural accounts for short-term relief. Options include the ability to defer loan or mortgage payments for up to six months.

Any members who have questions or concerns about their financial situation should reach out to their local branch for guidance and support.

Additionally, Sunrise Credit Union members' deposits are guaranteed 100% by the Deposit Guarantee Corporation of Manitoba.
